## Education

---

**PDPM, Indian Institute of Information Technology, Jabalpur**

**2023-2027**

*B.Tech - Electronics and Communication Engineering*

*Jabalpur, Madhya Pradesh*

## Projects

---

**Google Gemini Clone** | *ReactJS, Gemini API, IDE-VSCode*

- Constructed a responsive Google Gemini Clone using ReactJS, closely resembling the interface and functionality of Google Gemini.
- Integrated the free Google Gemini API to facilitate real-time data retrieval and processing, enhancing user interactions.
- Crafted an intuitive and interactive UI, ensuring smooth functionality across various devices and screen dimensions.
- Applied modular React components and best practices to create an efficient, scalable, and maintainable codebase.

**Personalized Quiz Website** | *HTML, CSS, JavaScript, IDE-VSCode*

- Engineered a personalized quiz platform that allows users to design custom quizzes based on their preferences, increasing user engagement.
- Created a feature to generate unique quiz links, simplifying the process for users to share their quizzes with others.
- Developed a seamless and responsive interface with HTML, CSS, and JavaScript, promoting smooth navigation and interaction.
- Focused on creating an entertaining, easy-to-use experience for users to challenge friends or design custom quizzes for events.

**DivaDen-Dare to be Bold** | *HTML, CSS, IDE-VSCode*

- Built an elegant beauty e-commerce platform using HTML and CSS, establishing a modern and consistent pink and white colour scheme.
- Implemented a responsive navigation bar with dropdown menus, search functionality, and user login options, enhancing browsing and category selection.
- Designed a distinctive logo that embodies the brand's essence, elevating the site's aesthetics and solidifying its identity.
- Organized product highlights and featured brands in a well-structured grid, facilitating effortless discovery while maintaining perfect alignment and visual balance.

## Achievements

---

- Achieved selection in the top 4000 students out of 20,000+ applicants in Stage 1 of the **AlgoUniversity Tech Fellowship (ATF)**.
- Secured the esteemed **Student Ultimate Award** for outstanding academic performance and attained a position in the top 20 out of 300 students.
- Competed in the **NEWBIE Hackathon** at college, showcasing innovative analytical skills.

## LeaderShip/Extracurricular

---

- Managed the hospitality section of 'TARANG,' our college fest, orchestrating guest accommodations, overseeing logistics, and ensuring a flawless experience for all participants.

## CODING PLATFORMS

---

- **Leetcode**
- **Codeforces** Max Rating: **835**
- **Codechef** Max Rating: **1247**
